

# Babyface

## Untergangskommando

I'm sorry,can't help it,  
Can't help the way I look,  
I'm just that kind of person can't you see,  
Don't worry be happy go lucky,  
Couldn't really give a fuck,  
I'm happy so long as you're happy,so long as you're pleased,

'cause  
I never knew just what it would do,  
It's like a wonderlust,  
I want to do what ever you tell me to,  
It's a kind of superdrug,

When I see your Babyface,  
I've seen the sweetest Babyface,  
I want to be there with the whole world,you and your thing,  
Babyface.

I'm greedy,I know that,  
I want to keep you to myself,  
Obsessive to quite a high degree,  
Can't work out why I'm like that,  
It's really not like me,  
It's something that's just happened recently,

'cause  
I never knew just what it would do,  
It's like a wonderlust,  
I want to do what ever you tell me to,  
It's a kind of superdrug,

When I see your Babyface,  
I've seen the sweetest Babyface,  
I want to be there with the whole world,you and your thing,  
Babyface.

My apology, how rude of me,  
I didn't mean to stare,  
It's just I'm sure I've seen you once before,  
Can't place it, it deceives me,

Don't I know you from somewhere,  
I'm looking for excuses, please stay and talk,

Babyface,  
I've seen the sweetest Babyface,  
I want to be there with the whole world, you and your thing,  
Babyface

I never knew just what it would do,  
It's like a wonderlust,  
I want to do what ever you tell me to,  
It's a kind of superdrug,  
Yeah, yeah, yeah, yeah, yeah,  
Whatever you tell me to I'll do,  
Yeah, yeah, yeah, yeah, yeah,  
Babyface
