

Inside Of Me (Full Vocal Radio Edit)

[Milk Inc.](#)

Come on dance with me
Inside of me
Come on, baby
Come on danceIf you wanna dance with me
Don't be shy just follow me
But you'd better think twice, baby
What you get is what you seeCome on dance with me
Inside of me
Come on dance with me
Inside of meCome on dance with me
Inside of me
Come on dance with me
Inside of meIf you wanna dance with me
Don't be shy just follow me
But you'd better think twice, baby
What you get is what you seeCome on dance with me
Inside of meCome on dance with me
Inside of me
Come on dance with me
Inside of meCome on, baby
Come on dance
