

Someday - Acoustic Version

Flipsyde

Come on
Shanananana, shanananana

Some day, we gonna rise up on that wind, you know,
Someday, we gonna dance with those lions.
Someday, we gonna break free from these chains
And keep on flyin'
Yeah

They tellin' me it's all good, just wait
You know I'm gonna be there, someday
Sippin' on champagne, ok,
Gotta get these things, one day
You've been through another lie,
You know, searchin' for that other high,
Starve or I gotta steal, we steal
Kill or I'm gonna be killed,
I got a sack in my pocket
Conscience yellin' and drop it,
You know we gonna lose it

Someday

And we try to hold it all together,
But the devil is too clever so
I'm gonna die, you gonna die, we gonna die,
Someday, one day, I said

Some day, we gonna rise up on that wind, you know,
Someday, we gonna dance with those lions.
Someday, we gonna break free from these chains
And keep on flyin'
Yeah

Come on

Try to lie, but it ain't me
Ain't me, tryin' ta look but I can't see,
Can't stop right now, cause I'm too far
And I can't keep goin' cause it's too hard

In the day, in the night, it's the same thing,
On the field, on the block, It's the same game

Only real if you stop, then there's no pain
But ya can't feel pain, and there's no game.
Rearrange and ya change and its all there,
And ya try to maintain but ya fall back,
When ya crawl and ya slip and ya slide down,
Gonna make it to the top, and it's hard now,

Tore a hole in my soul and I die hard,
All alone in the night, in the graveyard
Some day, one day, Imma be free
And they won't try to kill me for being me.

Hey,
Someday.

Some day, we gonna rise up on that wind, you know,
Someday, we gonna dance with those lions.
Someday, we gonna break free from these chains
And keep on flyin'
Yeah

If you know how this is,
Gonna see, it's not that easy.
Don't stop, get it till it's done,
And where you are or I'll be gone,

I said
Keep on, try a little harder,
To see everything you need to be

Believe. In your dreams, that you see,
When you're asleep

Some day, we gonna rise up on that wind, you know,
Someday, we gonna dance with those lions.
Someday, we gonna break free from these chains
And keep on, keep on, keep on, keep on,

Keep on flyin' yeah

Get it right now (repeated)
