Scarlet Bedroom

Marc Almond

Come into the scarlet bedroom
And maybe spend the night
Sink amongst the satin sheets
In dissolute delight
Just a little touch of sadness
A little a second sightCome into my world of madness
Come and spend the night it's truly
Star spangled fabulous lover
In the red bedroom
In the dead bedroom
Gonna open up your eyes to a little lifeCome and try something delicious
Prepare for your demise
Never ever repetitious
Always a surprise
For a little touch of darkness
You can see the light
Call me cruel and call me heartless
But please call me tonight
It's trulyStar spangled fabulous lover
In the red bedroom
In the dead bedroom
You want be getting out aliveCome into my Burlesque show
You're gonna be in the show
It's going to be monumental
Come and be my movie star
You can do the striptease
In my new continental
Hot blue movie
We could film it in my Scarlet BedroomTry a little tender moment
But don't let it suffice
Why be happy with vanilla
When you can have the spice
Sugar coated innocence
Is something not too nice
Call me cruel and call me callous
But please call me tonight
It's truly
Star spangled fabulous lover
In the red bedroom

In the dead bedroom
Gonna open up your mind
In the red bedroom
You're gonna kiss your life goodbye.
