

# Alabama Song

Allison Moorer

Are you going to Alabama  
Where the trees grow tall and green  
I'd like to see the Gulf of Mexico  
If you're going, won't you take me  
Are you going to Alabama  
Where the skies shine bright and blue  
I'd like to see the old Tombigbee  
If you're going, I want to go with you  
Are you going to Alabama  
Where the folks say, "How do you do?"  
I'd like to see those big ol' cotton fields  
If you're going, I'm going too  
And I'm ready to run, baby  
Through the sweet southern pines  
Lie down in a bed of camellias  
And watch the sun shine
