Final Fight

Rocky IV

Cody, Mad Gear, Haggar, vengeful, slums,
uptown, subway, Hollywood, 2P, Axel,
Sodom, Thrasher, katana, barrels,
dynamite, burgerSubway, city, violence, cage
Thriving on the streets of rageMy car, street fighter, wheelchair, pipe knife,
glazed ham, trash can, Molotov, Jenny
Get the fuck up out of that chair it's you
I'm battering now
Armies of the night combined can't stop
revenge somehow
A moustache-wielding mayor with two-fisted
slamming power
To save my daughter and eat the hams is the
order of the hour
