Come Back Down

Toad the Wet Sprocket

I've come here a thousand times
Some things never change, yes I will, anything you say
I've quit this a million times can't quite stay away
Just one more time I'll be okay but I'm so damn tiredWhen I come back down
Though I'm crazy to
Anything you want from me I'll do
When I come back downHey Joe, could you spare a buck?
I could use some food, what a laugh one more fool
Two hours and it's back again, lapping at my heels
Stop yelling I'll get through but I'm so damn tiredWhen I come back down
Though I'm crazy to
Anything you want from me I'll do
When I come back down, when I come back down
When I come back downI've come here a thousand times
Some things never change, lay me down, take me away
Oh God, I'm so damn tiredWhen I come back down
Though I'm crazy to
Anything you want from me I'll do
When I come back down, when I come back down
Come back down, come back down
