

Doing All Right

Queen

Yesterday my life was in ruin
Now today I know what I'm doing
Gotta feeling I should be doing all right
Doing all right Where will I be this time tomorrow
Jump in joy or sinking in sorrow
Anyway I should be doing all right
Doing all right Should be waiting for the sun
Looking round to find the words to say
Should be waiting for the skies to clear
There a time in all the world
Should be waiting for the sun
And anyway I've got hide away Ah ah ah ah
Yesterday my life was in ruin
Now today God knows what I'm doing
Anyway I should be doing all right
Doing all right
