

When You Say Nothing at All

[Keith Whitley](#)

Its amazing how you can speak right to my heart
Without saying a word, you can light up the dark
Try as I may I could never explain,
What I hear when you don't say a thingThe smile on your face lets me know that you need me
there's a truth in your eyes saying you'll never leave me
The touch of your hand says you'll catch me if ever I fall
You say it best when you say nothing at allAll day long I can hear people talking out loud
But when you hold me near, you drown out the crowd
Old Mr. Webster could never define
what's being said between your heart and mineThe smile on your face lets me know that you need me
There's a truth in your eyes saying you'll never leave me
The touch of your hand says you'll catch me if ever I fall
You say it best when you say nothing at allThe smile on your face lets me know that you need me
There's a truth in your eyes saying you'll never leave meThe touch of your hand says you'll catch me if ever I
fallYou say it best when you say nothing at all
