

# Grave Dirt on My Blue Suede Shoes

**Dax Riggs**

Mother of night forgive me my heart  
Father of light don't forget me in the dark  
Sister twilight forgive me my head  
By the mourning burn  
A heart cannot understand  
Invoking me what I must be  
Forget this skull, this symmetry  
Invoking me what I must do  
Grave dirt on my blue suede shoes  
Why oh why oh away  
Why oh why oh why oh wow {x7}
