If Dreams Could Talk

Jared Evan

(Intro - sample from the movie "Inception")
Dreams, they feel real while we're in them, right? It's only when we wake up that we realize something was actually strange.(Verse)
You and I
We don't sleep the same at night
I believe that I'm alone
And I see you where I go
When we touch
We don't ever hear a noise
Could we even be alive?
Is there something that you hide?(Pre-Hook)
If we could talk it all over again
In dreams we belong
It won't be so long
If there was some way to walk through this air
I'd travel on my own and just wait til I know(Hook)
Oh oh, there ain't no conversation
If we ain't communicating, oh yea
Oh oh, open mind
We're here in this place
So what would you say?
If dreams could talk (talk, talk...)
If dreams could talk (talk, talk, talk...)(Verse)
You and I
Will we ever dream alike?
We don't need to be alone
Could we reach a compromise?
Every night I'm just lookin for a voice
I can't hear you calling out
Do we even have a choice?(Pre-Hook)
If we could talk it all over again
In dreams we belong
It won't be so long
If there was some way to walk through this air
I'd travel on my own and just wait til I know(Hook x2)
Oh oh, there ain't no conversation
If we ain't communicating, oh yea
Oh oh, open mind
We're here in this place

So what would you say?
If dreams could talk(Talk, talk, talk...)
If dreams could talk
(Talk, talk, talk...)
If dreams could talk
(Talk, talk, talk...)
If dreams could talk
(Talk, talk, talk...)
If dreams could talk
