Advisory - the following lyrics contain explicit language:

There she is again, steppin' out of her limousine, well
Looking like the cover of a twenty-dollar magazine
She's got it where you find it
If you know what I meanShe's a natural born woman
Natural born woman
She's a natural born womanThere she is again watch her stop the Main Street in its tracks
Looking like Creole queen, hair hangin' down her back
I say, don't look too long, boy
She'll make your glasses crackShe's a natural born woman
Natural born woman
She's a, yeah yeah, natural born womanYeah yeah, get your track
Yeah, natural born woman
Yeah, yeah, natural born woman
Yeah, yeah, she's a natural born womanWell, I'm sweatin' and I'm shakin' when I'm bringin' you the news
You can do anything but lay off of my blue suede shoes
Why I'm standin' here today
Preachin' natural born woman bluesWell, she's a natural born woman
Well, yeah, natural born woman
Well, yeah, natural born womanWell, I'm looking out my back door, wonderin' which place to go
Think I'll move on down to Memphis
Pay my money to see a rock 'n' roll show
Find me a sweet-heart Susie, together we can lose controlYeah, yeah, yeah, yeah
She's a natural born woman
Yeah, yeah, natural born woman
Yeah, natural born woman
Yeah
