

Dollars In the Night

The Asteroids Galaxy Tour

Take your check start working
Up your face
Everybody stop joking
Of your space
Gather round this nation
That it's your faith
Is ride on the flip side
Again and again and then again Dollars in the night
Dollars in the night
Dollars in the night
Dollars in the night It's insane, fame
It's insane, fame Go back to
Too late to change
So afraid to be
You're walking without chain
The back money
Spend it all today
Is a to be now your name
