French Cancan

Bob Fournier

I met this pretty boy in Paris
He used to tell me that I'm jolie
I couldn't say a word just
Coco Choco Chanel
Coco Chanel Chocolat

In my heart
In my veins
I just couldn't take him out of my brain
Just a glance
I'm in transe
This french fella was cute as hell

On my mind
In my bed
I just couldn't stop staring at him
Just a kiss
French kiss
I couldn't say a word just stuttering

Coco Choco Chanel Coco
Coco Choco Chanel and Chocolat

How stupid is that ?
I should tell him
Remember the night he came in my life

Monsieur Sainte Nitouche
Prends-moi par la main
Dis-moi des mots d'amour
Des mots qui me touchent
Monsieur Sainte Nitouche
Je suis enchantÃ©e

Monsieur Sainte Nitouche
Prends-moi par la taille
Caresse-moi l'Ã©paule
Le creux de mes reins
Monsieur Sainte Nitouche

Ravie de te rencontrer

In my life
In my dreams
This man couldn't walk away from my hips
Just a bite
On my lips
I couldn't say a word just stuttering

Coco Choco Chanel Coco
Coco Choco Chanel and Chocolat

How stupid is that ?
I should tell him
Remember the night he came in my life

Monsieur Sainte Nitouche
Prends-moi par la main
Dis-moi des mots d'amour
Des mots qui me touchent
Monsieur Sainte Nitouche
Je suis enchantÃ©e

Monsieur Sainte Nitouche
Prends-moi par la taille
Caresse-moi l'Ã©paule
Le creux de mes reins
Monsieur Sainte Nitouche
Ravie de te rencontrer

I met this pretty boy in Paris
He used to tell me that I'm jolie
I called this pretty man Mon ChÃ©ri
Coco Choco Chanel
Coco Chanel Chocolat

Monsieur Sainte Nitouche
Prends-moi par la main
Dis-moi des mots d'amour
Des mots qui me touchent
Monsieur Sainte Nitouche
Je suis enchantÃ©e

Monsieur Sainte Nitouche
Prends-moi par la taille
Caresse-moi l'Ã©paule

Le creux de mes reins
Monsieur Sainte Nitouche
Ravie de te rencontrer
