Break Away

Staind

Misery
And company it keeps
Is for me
All these things
We keep repeating

[Chorus]
Like a wheel
That keeps turning
If I could break away
From this moment
Break away
What is real
Break away
Never showing
Break away
How I feel
If I could break away

Apathy
The ignorance it brings
The tragedy
Of all these things
We keep repeating

[Chorus]

Break away
If I could break away
Just break away
If I could break away
From this moment
Break away
What is real
Break away
Never showing
Break away
How I feel
If I could break away
If I could break away

If I could break away
