

Brand New You

Miranda Cosgrove

{ Verse 1 }

Disrespect, It's all that you do to me
So messed up, the way that you're treatin me
Brace yourself, There's somethin I want you to know
You should know...

{ Verse 2 }

Replaceable is one way you're sayin it
You've made your bed, now you can lay in it
Cuz one day soon, I'll have a brand new you (new you)

{ Bridge }

(Hes gonna walk like you) Exact same anatomy
(Talk like you) Except he knows how to be
(Sweet and kind) It shouldn't be so hard to find

[Chorus]

Does it make you mad
when you're thinkin back to the starting line?
Back when I was yours and you were mine?
You took me for granted,
so I found a brand new you.

And when you see me
Around this time
Well I hope you see
that I'm doin fine
It's never been better
since I found a brand new you
(since I found a brand new you)

{ Verse 3 }

I know you hate that I'm over it
I don't even miss you a little bit
I'm so glad I found a brand new you (new you)

(Hes gonna walk like you) Exact same anatomy
(Talk like you) Except hes so good to me

(You were blind) To think you were one of a kind

[Chorus]

(found a brand new you)

Oh Ooh yeah.

Found a brand new yoooooooouuuuu

[Verse 3]

Does it make you mad
when you're thinkin back to the starting line?
Back when I was yours and you were mine?

You took me for granted,
so I found a brand new you.
(found a brand new you)

And when you see me
Around this time
Well I hope you see
that I'm doin fine
It's never been better
since I found a brand new you
(since I found a brand new you)
