

# Let Me Tell You

## Julian Lennon

Ooh, ooh, ooh, ooh  
Let me tell you now  
Let me tell you, let me tell you  
Let me tell you right now Let me tell you 'bout the girls I used to know  
'Round the corner on the streets below  
I've been sittin' here for quite a while  
They're the kind of girls that make you smile Let me tell you now  
Let me tell you, let me tell you  
Let me tell you right now  
Let me tell you, let me tell you  
Let me tell you right now I'd like to tell you 'bout some good times I've had  
The kinda good ones and the kinda bad  
But if I did you'd know my secrets too  
Some things are private but I'll give you a clue Let me tell you now  
Let me tell you, let me tell you  
Let me tell you right now  
Let me tell you, let me tell you  
Let me tell you now Tell you now  
Tell you now, right now  
What it's all about Let me tell ya, let me tell ya  
What she did to me one night  
I was foolin' around in the back of the car  
And she pulled me aside Let me tell ya, let me tell ya  
What she did to me one night  
I was foolin' around in the back of the car  
And she moved with me all night Do do do
