Jennifer

Eurythmics

Jennifer with your orange hair
Jennifer with your green eyes
Jennifer in your dress of deepest purple
Jennifer, where are you tonight?
Jennifer, where are you tonight?
Jennifer with your orange hair
Jennifer with your green eyes
Jennifer in your dress of deepest purple
Jennifer, where are you tonight?

Underneath the water
Underneath the water
Underneath the water
Jennifer with your orange hair
Jennifer with your green eyes
Jennifer in your dress of deepest purple
Jennifer, where are you tonight?
Jennifer, where are you tonight?
