

Nights Are Forever Without You

England Dan & John Ford Coley

Lying in bed with the radio on
Moonlight falls like rain
Soft summer nights spent thinking of you
When will I see you again
Soft and low the music moans
I can't stop thinking about you
Thinking about you
I didn't know it would be so strong
Waiting and wondering about you
I didn't know it would last so long
Nights are forever without you
Curtains still dance with the wind and the sky
The sun will be coming up soon
But I just can't sleep for thinking of you
Here alone with the blues
Soft and low the music moans
I can't stop thinking about you
Thinking about you
I didn't know it would be so strong
Waiting and wondering about you
I didn't know it would last so long
Nights are forever without you
Nights are forever without you
Nights are forever without you
