Amazing

Seal

Everyone says you're amazing
Say you don't know how to do it now, so you run
It's not that you're bleeding
But you're through with it now, so you run, so you run
I know that you need it, you can't live alone
So you run, so you run
Everyone says you're amazing now that you're clean
But only you know the real ones are 'cause you've seen
There's only one question I want to ask is it here and
When you hear everyone say you're amazing
Does anyone ask you?
Do you cry in your sleep and do you feel okay
When you run?
Thinking it's Doomsday you got to let it go
So you run, so you run
Pretend you don't see it, that we can live a lie
When you run, so you run
Everyone says you're amazing now that you're clean

Only you know the real ones are 'cause you've seen
There's only one question I want to ask is it here and
When, when you hear everyone say you're amazing
Does anyone ask you?
'Cause I know that you're real
Amazing, amazing, amazing
Everyone says you're amazing now that you're clean
Only you know the real ones are because you have seen
There's only one question I want to ask is it here and
When you hear, everyone says you're amazing
Everyone says you're amazing
(I want you to always feel you're amazing)
Everyone says you're amazing
(I want you to always feel you're amazing)
I want you to always feel you're amazing
You're amazing
