I Am Changing

Jennifer Holliday

Look at me, look at me
I am changing, trying every way I can
I am changing, I'll be better than I am
I'm trying to find a way to understand
But I need you, I need you, I need a handI am changing, seeing everything so clear
I am changing, I'm gonna start right now, right here
I'm hoping to work it out and I know that I can
But I need you, I need a handAll my life, I've been a fool
Who said I can do it all alone
How many good friends have I already lost
How many dark nights have I knownWalking down that wrong road
There was nothing I could find
All those years of darkness
Can make a person blind but now I can seeI am changing, trying every way I can
I am changing, I would be better than I am
But I need a friend to help me start all over again
Oh, that would be just fine
I know it's gonna work out this time
'Cause this time I am, this time I amI am changing, I get my life together now
I am changing, yes, I know how
I'm gonna start again, I'm gonna leave my past behind
I'll change my life, I'll make a vow
And nothings gonna stop me now, hey
