

He Touched Me

Barbra Streisand

He touched me, he put his hand near mine
And then he touched me
I felt a sudden tingle when he touched me
A sparkle, a glow He knew it, it wasn't accidental
No, he knew it
He smiled and seem to tell me so all through it
He knew it, I know He's real, and the world is alive and shining
I feel such a wonderful drive t'wards valentining He touched me, I simply have to face the fact
He touched me
Control myself and try to act
As if I remember my name But he touched me, he touched me
And suddenly nothing is the same
'Cause he touched me, he touched me
And suddenly nothing, nothing, nothing is the same
