

# Cloud #9 (Chicane radio edit)

Bryan Adams

Number nine, number nine, number nine  
Number nine, number nine, number nine  
Number nine, number nine, number nine  
Number nine, number nine, number nine  
Number nine, number nine, number nine  
Number nine, number nine, number nineClue number one, was when you knocked on my door  
Clue number two, was the look that you wore  
That's when I knew it was a pretty good sign  
Somethin' was wrong up on cloud number nineWell it's a long way up and we won't come down tonight  
Well it may be wrong but baby, it sure feels right  
Oh yeah!And the moon is out, and the stars are bright  
And whatever comes gonna be alright  
'Cause tonight you will be mine, up on cloud number nine  
And there ain't no place, that I'd rather be  
And we can't go back, but you're here with me  
Yeah, the weather is really fine, up on cloud number nineNow he hurt you, and you hurt me  
And that wasn't the way it was supposed to be  
So baby tonight let's leave the world behind  
And spend some time, up on cloud number nineWell it's a long way up and we won't come down tonight  
Well it may be wrong but baby, it sure feels right  
AlrightWhen the moon is out, and the stars are bright  
And whatever comes gonna be alright  
'Cause tonight you will be mine, up on cloud number nine  
And there ain't no place, that I'd rather be  
And we can't go back, but you're here with me  
Yeah, the weather is really fine, up on cloud number nineNumber nine, number nine, number nine  
Number nine, number nine, number nine  
Number nine, number nine, number nine  
Number nine, number nine, number nine  
Number nine, number nine, number nineWell we won't come down tonight  
Yeah we won't come down tonight  
No we won't come down tonight'Cause the moon is out and the stars are bright  
And whatever comes gonna be alright  
This tonight you will be mine, up on cloud number nine  
Oh yeah!  
And there ain't no place, that I'd rather be  
And we can't go back, but you're here with me  
Yeah the weather is really fine, up on cloud number nine

Yeah we can watch the world go by, up on cloud number nine
