

# Love And Affection

[Donna Lewis](#)

Nobody ever could love you  
'Cos you were never within easy reach  
When I set my eyes on you  
I knew that you were the one for me  
And I was never shy, too shy with you baby  
I just took my time to get close to you  
Reached inside to open your heart face to face  
I just can't wait for you to Kiss me baby  
Drown me with your affection  
Touch me  
Wrap me up in your arms  
'Cos you really move me Kiss me baby  
Drown me with your affection  
Touch me  
Wrap me up in your arms  
'Cos you really move me I've never felt such emotion  
Never needed to cherish someone  
But now I've found you, I think you feel it too  
Let me show you Heaven on Earth  
I will always be your guide to perfection doubt no more  
You gotta let love take a hold  
Let me take your hand  
And lead you into my garden of love Kiss me baby  
Drown me with your affection  
Touch me  
Wrap me up in your arms  
'Cos you really move me Kiss me baby  
Drown me with your affection  
Touch me  
Wrap me up in your arms  
'Cos you really move my soul How can I retain my self control?  
Don't you know I'm crazy about you baby?  
So come on, and drown me with your love and affection  
Affection Kiss me baby  
Drown me with your affection  
Touch me  
Wrap me up in your arms  
'Cos you really move me Kiss me baby  
Drown me with your affection

Touch me  
Wrap me up in your arms  
'Cos you really move meCome a little closer to me, come a  
Come a little closer to me, baby  
Come a little closer, closer, closer, closer
