## Lit Up

## The National

My bodyguard shows her revolver to anyone who asks And yeah, she comes to attention when you come up to me too fast For a little while you'll be here, the only good part of me For a little while you'll be hereSo lit up, lit up, lit up alright I try to untie Manhattan Lit up, lit up, lit up alright I try to untieYou wear skirt like a flag And everything surrounds you, and it doesn't fade Nothing like this sound I make that only lasts the season And only heard by bedroom kids who buy for that reason 'Cause you're the low life of the party, bad blood Bad blood for everybody, I'm in control and I believeSo lit up, lit up, lit up alright I try to untie Manhattan Lit up, lit up, lit up alright I try to untie from your bad blood From your bad blood'Cause you're the low life of the party, bad blood Bad blood for everybody, I'm in control and I believeSo lit up, lit up, lit up, lit up alright I try to untie Manhattan Lit up, lit up, lit up, lit up alright I try to untie
