

Train

Brick + Mortar

I wanna take the train with you
I wanna run away with you
Come on run away
Run away with me I got a secret window
From there you can see it all
Don't be afraid to reach it
Don't be afraid to fall Respect the fact that everything you hate
Your thoughts, your words and
Everything you say, defines you
Defined you!
Ooh ooh ooh I wanna take the train with you
I wanna run away with you
Come on run away
Run away with me
(Run run push it away yeah, I'm always running) I wanna run away with you
(I wanna run away)
I wanna take the train with you
(I wanna take the train)
Won't you hold my hand when I'm dying
Sick of growing old Run run push it away yeah, I'm always running
All night into the day yeah, I'm always running A smile in the face of failure
A smile in the face of fear
Cause I got a secret window
And I'm gonna take you there Accept the fact that everything you hate
Your thoughts, your words and
Every single day, defines you
Defy you! Ooh ooh ooh
I wanna take the train with you
I wanna run away with you
Come on run away (run run push it away yeah, I'm always running)
I wanna run away with you
(I wanna run away)
I wanna take the train with you
(I wanna take the train)
Won't you hold my hand when I'm dying
Sick of growing old Run run push it away yeah, I'm always running
All night into the day yeah, I'm always running
(push it all night) Push it all night, Push it all night
(Push into the day)

Wasting my life, Wasting my life
(Waiting for you)
Waiting for you, Waiting for you
(Waiting for you)
Waiting for you, Waiting for you I wanna take the train with you
I wanna run away with you
Come on run away
Run away with me
(run run push it away yeah, I'm always running) I wanna run away with you
(I wanna run away)
I wanna take the train with you
(I wanna take the train) Won't you hold my hand when I'm dying
Sick of growing old Run run push it away yeah, I'm always running
All night into the day yeah, I'm always running
Run run push it away yeah, I'm always running
All night into the day yeah, I'm always running
