Spaz

Datathief

Hey, I'm a little teapot short and stout
There?s some shake-up'in around me know it's talk, and no doubt
I pop the lid, the lid, it?s gon? be me I gonna no doubt
Nothing'll happen if I don't open my mouth
I ain?t a punk bitch, I don't give a fuck
I'm just bein? me and speakin? from the gut
Well it?s a little bit of us, a whole lot of you
And we just came here to see what it do
I'm right here, and I ain?t goin?nowhere
You can turn tables and you can throw chairs
I'm right here, and I ain?t goin?nowhere
You can knock doors and tear up, ya'have to air so
Spaz if you want to, spaz if you want
Spa-spaz if you want to, spaz if you want to
Spaz if you want to, spaz if you want
Spa-spaz if you want to, spaz if you want to
I'm a little teapot blowin?off steam
You put me on the heat, I don't whistle I scream
Bang, bang, fuck a bed fuck a dream
This is rage blowin? up your machine
I'm a star bitch, I don't give a fuck
Don't be surprised when this bitch start blowin? up
Well its a little bit of us, a whole lot of you
And we just came here to see what it do
I'm right here, and I ain?t goin?nowhere
You can turn tables and you can throw chairs
I'm right here, and I ain?t goin?nowhere
You can knock doors and tear up, ya'have to air so

Spaz if you want to, spaz if you want
Spa-spaz if you want to, spaz if you want to
Spaz if you want to, spaz if you want
Spa-spaz if you want to, spaz if you want to
And now I'm wakin? up layin? in the ambulance bed
With somethin in my arm, I gotta get it off
A tattoo with a line that'll read your mind
And next is your mind, I gotta get it off
The shit they spray, attack my lungs everyday
With a creeping decay, I gotta get it off

By attacking these things, I earned my wings
And my halo but first I gotta, get it off
I'm right here, and I ain?t goin?nowhere
You can turn tables and you can throw chairs
I'm right here, and I ain?t goin?nowhere
You can knock doors and tear up, ya'have to air so
Spaz if you want to, spaz if you want
Spa-spaz if you want to, spaz if you want to
Spaz if you want to, spaz if you want
Spa-spaz if you want to, spaz if you want to
I'm right here, and I ain?t goin?nowhere
You can turn tables and you can throw chairs
I'm right here, and I ain?t goin?nowhere
You can knock doors and tear up, ya'have to air so
Spaz if you want to, spaz if you want
Spa-spaz if you want to, spaz if you want to
Spaz if you want to, spaz if you want
Spa-spaz if you want to, spaz if you want to
