Sanctified

Synthetika

It's still getting worse after everything I've tried
What if I found a way to wash it all aside
What if she touches with those fingertips
As the words spill out like fire from her lips?If she says come inside, I'll come inside for her
If she says give it all, I'll give everything to her
I am justified, I am purified, I am sanctified inside youHeaven's just a rumor she'll dispel
As she walks me through the nicest parts of Hell
I still dream of lips I never should have kissed
Well, she knows exactly what I can't resistAnd if she says come inside, I'll come inside for her
And if she says give it all, I'll give everything to her
I am justified, I am purified, I am sanctified inside you[Incomprehensible]I'm just caught up in another of her spells
Well, she's turning me into someone else
Everyday I hope and pray that this will end
But when I can I do it all againAnd if she says come inside, I'll come inside for her
And if she says give it all, I'll give everything to her
I am justified, I am purified, I am sanctified inside you
I am justified, I am purified, I am sanctified inside you, oh no
