

# Sanctified

## Synthetika

It's still getting worse after everything I've tried

What if I found a way to wash it all aside

What if she touches with those fingertips

As the words spill out like fire from her lips?If she says come inside, I'll come inside for her

If she says give it all, I'll give everything to her

I am justified, I am purified, I am sanctified inside youHeaven's just a rumor she'll dispel

As she walks me through the nicest parts of Hell

I still dream of lips I never should have kissed

Well, she knows exactly what I can't resistAnd if she says come inside, I'll come inside for her

And if she says give it all, I'll give everything to her

I am justified, I am purified, I am sanctified inside you[Incomprehensible]I'm just caught up in another of her  
spells

Well, she's turning me into someone else

Everyday I hope and pray that this will end

But when I can I do it all againAnd if she says come inside, I'll come inside for her

And if she says give it all, I'll give everything to her

I am justified, I am purified, I am sanctified inside you

I am justified, I am purified, I am sanctified inside you, oh no
