Broken Record

IBU

(Verse 1)
There will be times, when ya,
Looking around and ya,
Losing all gravity,
Falling down, gets hard to breathe,
Working them late nights,
Fighting my last fight,
Pushing and pulling,
Going around in circles.(Pre-hook)
(Take me away)
To another place where,
(Far, far away)
We living in a nightmare,
(Theres no other way)
Stuck in a dead end, caught in a one-way,
Im (were) lost and Im (were) trying to come back home but,(Hook)
We always go round and round and back again,
We always go round and round and back again,
It sounds like a broken record, broken record, broken record.
We always take one step forward and two steps back,
It should love. It feels like a heart attack,
It sounds like a broken record, broken record, broken record.(Verse 2)
I hear you talking and I,
Feel what you feeling and I,
Bite on my tongue and I,
Tell myself dont start a fight.
But you start crying now,
Its about to end right now,
Then you start walking,
And then you always turn around.(Pre-hook)(Hook)(Bridge)
For all of you who knows what its like,
You got to be strong and face the fight,
Stop it now youre wasting time, whoa.
Soon there will come a time,
We cant keep changing our minds,
We living in rewind.(Hook) repeat
