

Watch Your Step (2012 Remastered Version)

Dr. Feelgood

You better take it easy baby
Before you go away
You keep me worried
And you get yours one day Watch your step
Watch your step
Watch your step
Watch your step Keep your eyes wide open
'Cause you'll be hurtin' down inside
You better leave me all your money
Before you go away
Don't think I'm falling for it
All I gotta say is Watch your step
Watch your step
Watch your step
Watch your step 'Cause when you take your love from me
Be full of misery
I'm gonna miss your loving every night
Get myself together
I'm gonna be alright Watch your step
Watch your step
Watch your step
Watch your step When you sneak up by my side
I'm gonna say 'go somewhere and hide'
