

Phenomenon

Black Eyed Peas

[Apl.De.Ap]

Your beauty is like

A shining star light

You make my heart skip

You are my highlight

You got that aura

It's so angelic

You take me over

You're so electric

Your smile is sunshine

You give me sunlight

You're what I'm missing

Apart of my life

Compared to no one

One in a million

You got me going

You're my ignition[Chorus]

Can't nobody love me like the way you do

It's a phenomenon

It's a phenomenon

Can't nobody love me like the way you do

It's a phenomenon

It's a phenomenon

You take me to higher groundsNa na na

You take me to higher groundsNa na na

na na na na na na na [Fergie]

What you say is overrated

Cuz you made it up

You think that i am slow

You didn't know

Oh what you say to me

Is the bait into the same shit

That you say all them o-o-oh's

Them other o-o-oh's

You used to be the kind of the man

That would take me as I am

Now you go-oh

Mr. go-oh

No need to stay another day

So I'll be on my way

I'm out the door
Out the door
Oh-oh[Chorus]
Can't nobody love me like the way you do
It's a phenomenon
It's a phenomenon
Can nobody love me like the way you do
It's a phenomenon
It's a phenomenon

You take me to higher groundsNa na na

You take me to higher grounds
Na na[Taboo]

You're the one I want
You're the one I needYou're my everything

You're my everything

You're the one for me

You're the one for me

You're my everything

You're my everything[Apl.De.Ap]

This feelings crazy

I can't explain it

It's so amazing

Feels like I'm dreaming

This love ain't basic

It's like a spaceship

Out somewhere far

I wanna visit

Like the taj mahal

Or the great wall

You're a phenomenon

You're a phenomenon

Like the pyramid

Or coliseum

You're a phenomenon

You're a phenomenon
