

# Hard to Do

Advisory - the following lyrics contain explicit language:

I've been thinking bout ya  
Are you thinking bout me?  
I know I went crazy  
But you were wrong I apologize, I'll let it go tonight  
Forgive me and I'll forgive you 'Cause what you gon' do  
When I put that pretty thing on you  
I usually don't do this  
But I'll do it for you Oh, baby 'cause  
Missing you is way too hard to do  
I'd rather be fucking you  
Do you mind if I give you love  
'Cause I just wanna give you love  
Won't you tell me if I'm doing too much  
Missing you is way too hard to do Lately I've been in my feelings  
Dealing with the daily thoughts of missing you  
I ain't dialing but my body's calling for ya  
Breaking down  
Gotta give it to you 'Cause what you gon' do  
When I put that pretty thing on you  
I usually don't do this  
But I'll do it for you Oh, baby 'cause  
Missing you is way too hard to do  
I'd rather be fucking you  
Do you mind if I give you love  
'Cause I just wanna give you love  
Won't you tell me if I'm doing too much  
Missing you is way too hard Don't get along all the time  
Just want your body on mine  
And you can call it what you wanna  
But I'm a call you when I want it  
Fishnets and trench coats  
Underneath, it's a bomb

American's most wanted  
Errbody upon on itWhat you gon' do  
When I put that pretty thing on you  
I usually don't do this  
But I'll do it for youOh, baby 'cause  
Missing you is way too hard to do  
I'd rather be fucking you  
Do you mind if I give you love  
'Cause I just wanna give you love  
Won't you tell me if I'm doing too much  
Missing you is way too hard to do
