Committed

Vanessa Hudgens

Before I knew what I'd go through
You made me fall in love with you
Now I'm fallin' but you're not catching meI'd let you go, then take you back
I'm serious as a heart attack
I'm so crazy, obviously, naturally
I should beI should be committed
For being committed
Someone like you
Makes me so blueI should be arrested
For being obsessed with
Somebody like you
Somebody like youYour love is like a tidal wave
Big and strong and misbehaved
Now I'm in it, I can't sink or swim
You come around at 2 am
And I unlock my door again
Call up Bellview, I'll be checking in againI should be committed
For being committed
Someone like you
Makes me so blueI should be arrested
For being obsessed with
Somebody like you
Somebody like youI should be committed
I should be committed
I should be committed
I should be committedI should be committed, committed
I should be
(Take me away now come on, baby)
I should be committed, committed
I should be
(Come on, baby)I should be committed
For being committed
Someone like you
Makes me so blueI should be arrested
For being obsessed with
Somebody like you
Somebody like you
