

I'm Coming Out

Chic

I'm coming out, I'm coming
I'm coming out I'm coming out, I want the world to know
I got to let it show
I'm coming out, I want the world to know
I got to let it show I'm coming out, I want the world to know
I got to let it show
I'm coming out, I want the world to know
I got to let it show There's a new me coming out, I just have to live
And I wanna give, I'm completely positive
I think this time around, I am gonna do it
Like you never knew it, oh, I'll make it through The time has come for me to break out of the shell
I have to shout, "I am coming out" I'm coming out, I want the world to know
I got to let it show
I'm coming out, I want the world to know
I got to let it show I'm coming out, I want the world to know
Got to let it show
I'm coming out, I want the world to know
Got to let it show I've got to show the world all that I wanna be
And all my abilities, there's so much more to me
Somehow, I have to make them just understand
I've got it well in hand and, oh, how I've planned I'm spreading love, there is no need to fear
And I just feel so good everytime I hear I'm coming out, I want the world to know
Got to let it show, yes
I'm coming out, I want the world to know
Got to let it show I'm coming out, I want the world to know
Got to let it show
I'm coming out, I want the world to know
Got to let it show I'm coming out, I want the world to know
Got to let it show
I'm coming out, I want the world to know
Got to let it show I'm coming out, I want the world to know
Got to let it show
I'm coming out, I want the world to know
Got to let it show I'm coming out, I want the world to know
Got to let it show
I'm coming out, I want the world to know
Got to let it show I'm coming, I want the world to know
I got to let it show, I'm coming out
