

# Love Letter to Japan (Radio Edit)

## The Bird and the Bee

From the west to the east, I have flown to be near you  
I have come all this way to be close, to be here with you  
And now, all my heart I will lay down precisely at your feetMy beloved, oh my sweet, all the gifts you have  
given me  
The patience and the peace, cherry blossoms and the candy  
I am yours, I am yours for as long, for as long as you will have meDearest one, I had a dream, I mouthed the  
words  
The sound came out, I spoke to you in Japanese  
Oh my love, I cannot see, I heard your name  
I know at once there was no place I'd rather be  
All at once there was no place that I would rather beFrom the west to the east, I have flown to be near you  
I have come all this way to be close, to be here with you  
And now, all my heart I will lay down precisely at your feetMy beloved, oh my sweet, all the gifts you have  
given me  
The patience and the peace, cherry blossoms and the candy  
I am yours, I am yours, for as long, for as long as you will have meI packed my bag, I'm on my way  
I am prepared for any season, I am prepared to stay  
Here is my heart, my beating heart  
Oh, how I'm longing for this love affair to start  
How I'm longing for this love affair to finally startFrom the west to the east, I have flown to be near you  
I have come all this way to be close, to be here with you  
And now, all my heart I will lay down precisely at your feetMy beloved, oh my sweet, all the gifts you have  
given me  
The patience and the peace, cherry blossoms and the candy  
I am yours, I am yours for as long, for as long as you will have meFrom the west to the east, I have flown to be  
near you  
I have come all this way to be close, to be here with you  
And now, all my heart I will lay down precisely at your feetMy beloved, oh my sweet, all the gifts you have  
given me  
The patience and the peace, cherry blossoms and the candy  
I am yours, I am yours for as long, for as long as you will have meWest to the east, all this way to be close, all  
my heart  
My beloved, oh my sweet, peace  
I am yours, I am yours
