

Today Was a Fairytale

Taylor Swift

Today was a fairytale
You were the prince
I used to be a damsel in distress
You took me by the hand and you picked me up at six
Today was a fairytale Today was a fairytale Today was a fairytale
I wore a dress
You wore a dark gray t-shirt
You told me I was pretty when I looked like a mess
Today was a fairytale
Time slows down whenever you're around But can you feel this magic in the air?
It must have been the way you kissed me
Fell in love when I saw you standing there
It must have been the way
Today was a fairytale
It must have been the way
Today was a fairytale Today was a fairytale
You've got a smile that takes me to another planet
Every move you make everything you say is right
Today was a fairytale
Today was a fairytale
All that I can say is now it's getting so much clearer
Nothin' made sense 'til the time I saw your face
Today was a fairytale Time slows down whenever you're around
Yeah yeah But can you feel this magic in the air?
It must have been the way you kissed me
Fell in love when I saw you standing there
It must have been the way
Today was a fairytale
It must have been the way
Today was a fairytale Time slows down whenever you're around
I can feel my heart
It's beating in my chest
Did you feel it?
I can't put this down But can you feel this magic in the air?
It must have been the way you kissed me
Fell in love when I saw you standing there
It must have been the way
But can you feel this magic in the air?
It must have been the way you kissed me

Fell in love when I saw you standing there
It must have been the way
Today was a fairytale
It must have been the way
Today was a fairytale Oh oh yeah yeah oh
Today was a fairytale
