Void You Out

OFF!

Blue versus Grey

Red and the Blue

Barbed wire fence

Guns pointed at you

Parasite cowards

Take over the host

Lunatic fringe

Will be a ghostBreak you down

Grind you up

Void you out

From the land of the free

21 feet

Stuck in a pen

Keep them out

Or keep us in?

When reality

Doesn't exist

You deserve

What you get

Break you down

Grind you up

Void you out

From the land of the freeBreak you down

Grind you up

Void you out
