Again & Again

moe.

Again and again and again
Do it again
Do it again
Again and again
It's a shame, it's a shame
It's a perfect shame
Creep under my door and we do it again, oh
It's easy and easy and easy and easy
And creepy and creepy and creepy, oh
Again, again, again, again
Again and again and again
Do it again
Do it again
Again and again and again
Do it again
Do it again

Again and again
Say my name, say my name, say my stupid name
It's stupid how we always seem to do it again, oh
You're so stupid and perfect
And stupid and perfect
I hate you, I want you
I hate you, I hate you, oh
Again, again, again, again
La, la, la
Again and again and again
Do it again
Do it again
Again and again and again
Do it again
Do it again
Again and again
