Our Lips Are Sealed

Hilary Duff

Can you hear them?
They talk about us
Telling lies
Well, that's no surprise
Can you see them?
See right through them?
They have no shield
No secrets to reveal
It doesn't matter
What they say
In the jealous games
People play, ay, ay, ay
Our lips are sealed
There's a weapon
Which we must use
In our defense
Silence
Spreading rumors
So far from true
Dragged up from the underworld
Just like some precious pearl
It doesn't matter
What they say
In the jealous games
People play, ay, ay, ay
Our lips are sealed
Pay no mind to
What they say

It doesn't matter
Anyway, hey hey hey
Our lips are sealed
Hush, my darling
Don't you cry
Cryin', angel
Forget their lies
Can you hear them?
They talk about us
Telling lies

Well, that's no surprise
Can you see them?
See right through them?
They have no shield
No secrets to reveal
It doesn't matter
What they say
In the jealous games
People play, ay, ay, ay
Our lips are sealed
Pay no mind
To what they say
It doesn't matter
Anyway, ay, ay, ay
Our lips are sealed
Our lips are sealed
Our lips are sealed
