

# Buy Love

## Freddie Nystrom

You can have a real easy life  
You can wake up my appetite  
You can live like a king  
But you can't, you can't buy love

You can have your own private everything  
You can have it all but still want more  
You can fly high above  
But you can't, you can't buy love

You can trick your mind and soul  
(The) Key to pleasure is your rule  
You can have, have it all  
But you can't, you can't buy love

guitar solo part

You can have a real easy life  
You can wake up my appetite  
You can live like a king  
But you can't, you can't buy love
