

# Angel Tapping at My Window

## Speed Gang

it pours looking at the Red light i sore blinded by the headlights before i use to know who i once was. cause i see myself in everyone lately theres and angel tapping at my window but i cant hear it at all cause i got the music up lately been stressing over what ive been into cause broken heartlove and sex is never good enough im running out of time im running out of rhymes im never gonna Die alone (dunning out of time (im running out of time im running out of rhymes im running out of time im never gonna Die alone said i told you so) tell me that you love me baby tell me that you care tell me im your happiness of love and no despire leaves keep on falling call it cpar. left me fucking hanging now im bleeding by the stairs. lately theres an angel tapping at my window and i cant hear it cause ive got the music up lately ive been stressing over what ive been into cause broken heart love and sex is never good enough im running out of time im running out of rhymes im never gonna Die alone im running out of time (im running out of rhymes im never gonna Die alone said i told you so)
