

Dying To Live

Jonny Lang

Mmm

You know I've heard it said there's beauty in distortion

By some people who withdrew to find their head

And they say that there is humor in misfortune

No, I wonder if they'll laugh when I'm deadWhy am I fighting to live

If I'm just living to fight?

Why am I trying to see

When there ain't nothing in sight?

Why am I trying to give

When no one gives me a try?

Why am I dying to live

If I'm just living to dieYeah

You know some people say that values are subjective

But they're just speaking words

That someone else has said

And so they live and fight and kill with no objective

Sometimes it's hard to tell the living from the deadWhy am I fighting to live

If I'm just living to fight?

Why am I trying to see

When there ain't nothing in sight?

Why am I trying to give

When no one gives me a try?

Why am I dying to live

If I'm just living to dieMmmm

You know I used to weave

my words into confusion

And so I hope you'll understand me

When I'm through

You know I used to live my life as an illusion

But reality will make my dream come trueSo I'll keep fighting to live

Till there's no reason to fight

And I'll keep trying to see

Until the end is in sight

You know I'm trying to give

So come on

Give me a try

You know I'm dying to live

Until I'm ready

I'm ready to die
