

Ring Out, Solstice Bells

Jethro Tull

Now is the solstice of the year
Winter is the glad song that you hear
Seven maids move in seven time
Have the lads up ready in a lineRing out these bells
Ring out, ring solstice bells
Ring solstice bellsJoin together 'neath the mistletoe
By the holy oak whereon it grows
Seven druids dance in seven time
Sing the song the bells call loudly chimingRing out these bells
Ring out, ring solstice bells
Ring solstice bellsPraise be to the distant sister sun
Joyful as the silver planets run
Seven maids move in seven time
Sing the song the bells call loudly chimingRing out these bells
Ring out, ring solstice bells
Ring solstice bellsRing out, ring out those solstice bells
Ring out, ring out those solstice bellsPraise be to the distant sister sun
Joyful as the silver planets run
Seven maids move in seven time
Sing the song the bells call loudly chimingRing out these bells
Ring out, ring solstice bells
Ring solstice bellsRing on, ring out
Ring on, ring out
Ring on, ring out
Ring on, ring out
