Ring Out, Solstice Bells

Jethro Tull

Now is the solstice of the year Winter is the glad song that you hear Seven maids move in seven time Have the lads up ready in a lineRing out these bells Ring out, ring solstice bells Ring solstice bellsJoin together 'neath the mistletoe By the holy oak whereon it grows Seven druids dance in seven time Sing the song the bells call loudly chimingRing out these bells Ring out, ring solstice bells Ring solstice bellsPraise be to the distant sister sun Joyful as the silver planets run Seven maids move in seven time Sing the song the bells call loudly chimingRing out these bells Ring out, ring solstice bells Ring solstice bellsRing out, ring out those solstice bells Ring out, ring out those solstice bellsPraise be to the distant sister sun Joyful as the silver planets run Seven maids move in seven time Sing the song the bells call loudly chimingRing out these bells Ring out, ring solstice bells Ring solstice bellsRing on, ring out Ring on, ring out Ring on, ring out Ring on, ring out
