

# Where Do I Belong

## Peccatum

Ohh, ohh  
Life doesn't promise a bed of roses or white knights  
Fields of emotions I'm trapped in darkness  
Why me, save me  
To win this twisted war inside me won't justify the pain  
Life doesn't promise a bed of roses  
Lightening strikes the pages keep on turning  
Help me to be strong  
I'm floating in a sea of strange believers  
Where do I belong?  
Ohh, ohh  
They paint you a picture of perfect nowhere blue skies  
Within every lie there's a web of comfort  
For them, not me  
To win this twisted war inside me won't justify the pain  
They paint you a picture of perfect nowhere  
  
I said now, lightening strikes the pages keep on turning  
Help me to be strong  
I'm floating in a sea of strange believers  
Where do I belong?  
Where do we go from here?  
I wish I would disappear  
I'm a lonely soul  
So far from home  
Yeah, yeah, yeah  
Lightening strikes the pages keep on turning  
Help me, help me  
I'm floating in a sea of strange believers  
Where do I, I said  
Lightening strikes, I said lightening strikes  
Floating in a sea of strange believers  
Where do I belong?
