

Lay It on Me

Dylan Scott

This is the third night in a row
We've been cruisin' the town
Windows down, singin' songs
Just drivin' around
My buddies think I'm crazy
Hell, I might be maybe
But that's okay baby
Whatcha say Come fall into me, into my arms
Let me wrap you up with this southern boy charm
Hey bae, whatcha say
Girl you got a way
Of makin' me wanna take the long way home
While we huggin' and kissin', gettin' the lovin' turned on
I need ya bad you see
The things you do to me
If you're feelin' what I'm feelin' hop on out of that shotgun seat
Lay it on me
Lay it on me
Lay it on me
Lay it on me
Lay it on me Give me a shot of them sweet pink lemonade lips
That's it, don't quit
Girl it's right on hit
You could be my country dime
I wanna make you mine
You're so fine, I ain't lyin'
Don't you think it's time to Fall into me, into my arms
Let me wrap you up with this southern boy charm
Hey bae, whatcha say
Girl you got a way
Of makin' me wanna take the long way home
While we huggin' and kissin', gettin' the lovin' turned on
I need ya bad you see
The things you do to me
If you're feelin' what I'm feelin' hop on out of that shotgun seat
Lay it on me
Lay it on me
Lay it on me
Lay it on me
