Winter Beats

Baby Toys

Heart beats
When your heart in winter beats
Don't let that cold blood freeze
Cause frozen love will bleed
Blood streaked
Streaked with frozen leaves
Leaves broken streets for me
Slips on cold red streets
Winter beats
It strikes for you and me
Don't let that cold blood freeze
Cause frozen love still bleeds
Winter beats
It strikes for you and me
Don't let that cold blood freeze
Cause frozen love still bleeds
