STEADY ON MY MIND

Parquet Courts

"Where could I start?" those are the
Words I write
A late sentiment
A bit misplaced but that comes as no surprise
At a loss, I'm overwhelmed
Like my memory over time
Just remember that I'll keep you in
A place that I can find
Steady on my mindYou know when it all moves too quick
And can get out of hand?
Sometimes I need a reprieve, I know you'll un-derstand
You lift the weight in the distance
When my eloquence subsides
And I'll always hold you close
When you can't be by my side
Steady on my mindWherever you may stay
That's where I'll return
I've never felt commited to much
But that don't mean that I can't learn to dedicate
And reciprocate what you send my way.
And I promise that I'll say "hello"
As often as "goodbye"
Steady on my mind
