

# I Don't Trust Myself

Mike Posner

No I'm not the man I used to be lately  
See you met me at an interesting time  
And if my past is any sign of your future  
Then I should warn you before I let you inside Hold on to whatever you find baby  
Hold on to whatever helps you through  
Hold on to whatever you find baby  
I don't trust myself with loving you I do my best to act like she doesn't phase me  
As if I pull girls just like her all the time  
I even waited seven days before I called her  
But she can play this game much better than I See I've got girls in every state, now they hate me  
Cause I'm leavin just as fast as I came  
And if my past is any sign of my future  
I'll probably end up not remembering her name Hold on to whatever you find baby  
Hold on to whatever helps you through  
Hold on to whatever you find baby  
I don't trust myself with loving you She deserves better  
Better better  
Better than me  
Better than me  
That she deserves better  
Better better  
Better than me  
Better than me  
That she deserves better  
Better than me  
That she deserves better  
Better than me Hold on to whatever you find baby  
Hold on to whatever helps you through  
Hold on to whatever you find baby  
I don't trust myself with loving you Cause I'm not the man I used to be lately  
Yeah you met me at an interesting time  
And if my past is any sign of your future  
Then I should warn you, warn you before I let you inside Hold on to whatever you find baby  
Hold on to whatever helps you through  
Hold on to whatever you find baby  
I don't trust myself with loving you
